

PERSONAL RECOMMENDATION REQUESTS

You may give one of these forms to each person you request to write a letter of recommendation for you.

=====**Cut here**=====

Please write a letter of recommendation for me to include in my application to the North Bend Community Scholarship Fund.

The NBCSF requests that you:

- 1. Give a candid and personal evaluation that will help distinguish me from other well-qualified applicants because the recommendation is often a deciding factor.
- 2. Whenever possible, cite specific and detailed examples about my work, attitude, abilities, progress, etc. which you have personally observed.
- 3. Do not make a listing of my various school / community activities because I have included them in another section of the application.

The NBCSF also includes these special instructions:

- 1. Your signature is required, as well as a printed or typed name. (A letter without a personal signature is considered invalid.)
- 2. Include your title or position (such as: teacher/coach/employer/minister/scout leader/advisor, etc.) and indicate how you know me (such as: student / employee / organization member / intern/ trainee/ volunteer, etc.)
- 3. Include your phone number or email address. (Evaluators may have follow-up questions.)
- 4. Use letterhead stationery, if possible, leaving at least a one inch left-hand margin.

Please have the letter ready for me to pick up by: _____

Thank you, _____
